Summer 2020

A photograph of a classroom scene. A female teacher with glasses and a bun is leaning over a wooden table, assisting a young boy in a red wheelchair. The boy is wearing a green shirt and is focused on writing in a notebook. Several other children are seated around the table, some looking at their work. The table is cluttered with papers, books, and a green pencil case. In the background, a bulletin board with colorful charts is visible on the wall.

"When everyone
is included,
everyone wins."

- *Jesse Jackson*

41 million

Americans ages 5+ have some type of disability

2.8 million

children in America ages 5-15 have disabilities

70% of families

are concerned they won't be able to provide care
and financial support for their children with special
needs

MEET BOBBY

CORE VALUES

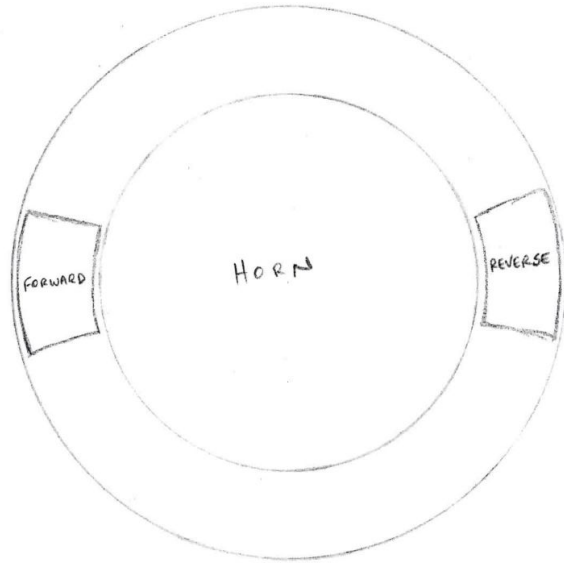

“There are three key themes to inclusion for children experiencing disability: gaining entry to play, feeling like a legitimate participant and having friends.”

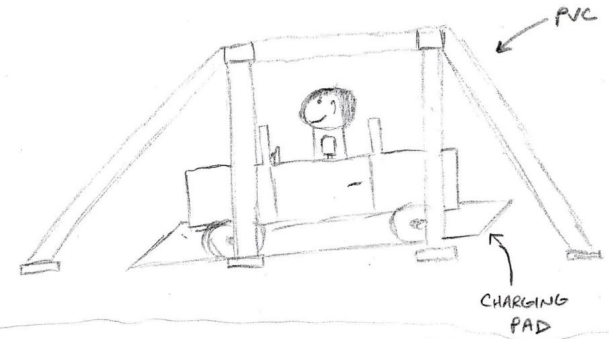

EARLY DRAFTS

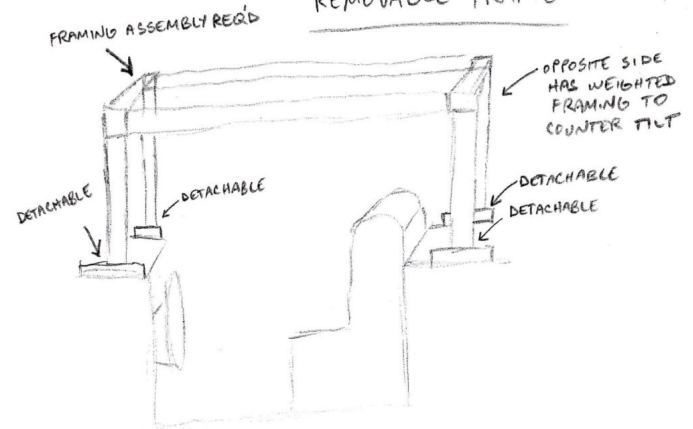

STEERING WHEEL

STATIONARY FRAMING

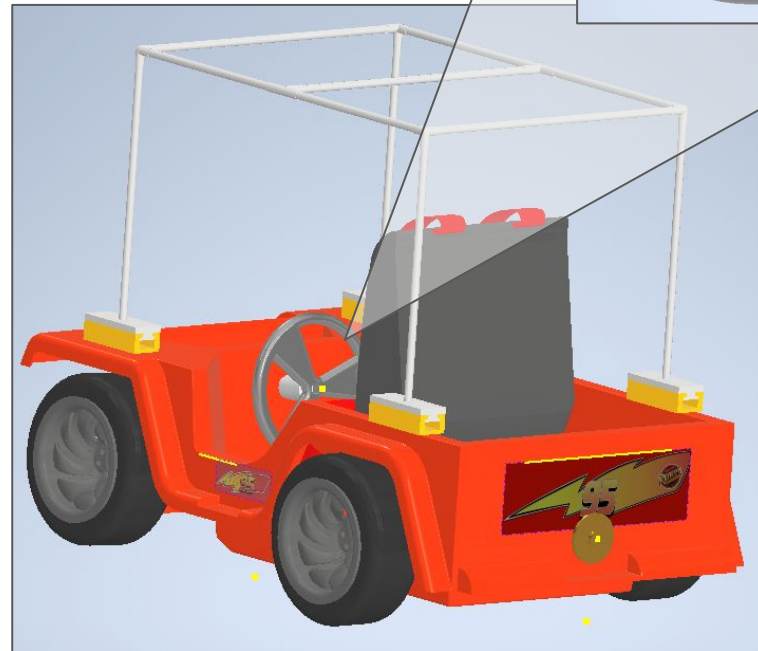

REMOVABLE FRAME

- EASY TO ASSEMBLE
- CAN BE TRANSPORTED WITH CAR TO VARIOUS LOCATIONS
